

# Employer SPOTLIGHT

Each month, we select a prominent local employer to tell their story. Come hear what goes through the employer's mind when they sit on the other side of the table!

## They talk about things like:

### Personal Stories

How they've managed their career to a successful level.

### Hiring Techniques

How do they sort through candidates? What makes someone stand out to them?

### Worst Case Job Seeker Stories

What are some things they've seen or heard in their position that *failed* to make a good impression?

### Interview Critiques

Employers will dedicate time to mock interview you, and will provide valuable feedback you will use to strengthen your interviewing skills.
