

Employer SPOTLIGHT

Each month, we select a prominent local employer to tell their story. Come hear what goes through the employer's mind when they sit on the other side of the table!

They talk about things like:

Personal Stories

How they've managed their career to a successful level.

Hiring Techniques

How do they sort through candidates? What makes someone stand out to them?

Worst Case Job Seeker Stories

What are some things they've seen or heard in their position that *failed* to make a good impression?

Interview Critiques

Employers will dedicate time to mock interview you, and will provide valuable feedback you will use to strengthen your interviewing skills.
